THE PROFILE

WARREN A. MACKEY

BORN APRIL 15, 1966, HE WAS A HUSBAND, A FATHER, A BUSINESSMAN, A MENTOR, AND A PERSON WHO GENUINELY CARED ABOUT PEOPLE.

Warren passed away peacefully on February 1, 2021, after a battle with heart disease, and now we endeavor to keep his spirit alive with the vision and mission of The Warren and Denyse Mackey Foundation.

THE WARREN AND DENYSE MACKEY FOUNDATION IS DEDICATED TO PRESERVING HIS MEMORY, VIBRANT SPIRIT AND PASSION FOR GIVING BACK.

Many remember Warren for his tenor voice, witty jokes, and love of the Lord, family and people. A basketball player, coach and fan, he shared his many talents with those around him.

Because of his selfless example in life, many, including prominent politicians, business people, and clergy continue to hold him up as **an example of a truly compassionate and caring individual.**

Along with many cherished memories, Warren leaves behind his devoted wife, Denyse, and his outstanding daughters, Madison & Makayla, tremendous people in their own right.

Now after four years in existence, we have been encouraged by the engagements and impact our foundation has been able to achieve.

We'll continue to diversify our financial strength through fundraisers and grants.

With key partnerships, we look forward to continuing our program focus by offering more scholarships and expanding our reach to other New York Capital District constituents.

WDMF is committed to help close the health care gap in heart/cancer screenings, and to constructively engage with more underserved youth through educational, and physical well-being initiatives.

9-weeks of summer camp including basketball, computer programming, dance, and professional development etc

200 African American community screened for high blood pressure

200 summer camp fully funded scholarships

525 people screened for cancer

625 children served at Community Day
